

## Marking Laser

- \* The All-In-One System of the Schilling-Family
- \* Highly versatile marking of metals and plastics
- \* Concise dimensions, space saving
- \* Flexible, simple, professional, non-abrasive marking with light
- \* Integrated air cooling device, thermo controlled
- \* High overall efficiency, fast, reliable, perfect results
- \* Low maintenance and power consumption
- \* Meets even the highest quality requirements
- \* Multilingual software for working quickly and easily even on complex marking jobs
- Easy set-up and installation
